PEACE WORKS: EMPOWERING THE NEXT GENERATION OF PEACEMAKERS

All Christians across the planet, all Christians who have come before and all who are to come, are members of the Church Universal. We call this the community of Christ, and our common faith in Jesus, the Son of God, forms an unbreakable bond between us all. Our story has been told for centuries. The faith of those who have come before us strengthens the ways we live as God's people, helping us to understand who God is, and who God needs us to be.

Registration Coming Soon!

All youth participants and adult leaders should register. Even if you don't know exact numbers yet.

Registration will be located in the hotel lobby upon arrival. Youth group leaders are responsible for working with the Assembly for lodging assignments. The Assembly will help with lodging locations for youth/adults and shared adult rooms.

Your church is responsible for the discipline of your group throughout the weekend.

We strongly suggest a ratio of one adult per eight youth in attendance with a minimum of two adults. At least one male and one female adult should be present, regardless of the size of your group, if both male and female youth are represented.

A leaders guide will be available after registration.
